

The North Carolina Museum of Natural Sciences has established a memorial fund in honor of Jeffrey Schneider, son of Vince and Judy Schneider. This fund is used to support paleontological research by the museum's paleontology staff. This fund is managed by the Friends of the North Carolina Museum of Natural Sciences and donations need to be made to the Friends in care of the *Jeffrey Schneider Memorial Paleontology Fund*. Contributions to this fund can be made to honor other deceased friends and family members. If you are interested in honoring someone, contact the Friends Office at (919)733-7450 x 377, to obtain the appropriate information.
